ABOUT MINDY

Hi, I'm Mindy Chattha.

I've been helping clients buy and sell real estate in Calgary and the surrounding area since 2019, and I truly believe this is one of the most rewarding careers I could have chosen.

Born into a real estate family, I developed a passion for the industry early on. Today, I combine that lifelong interest with local market knowledge and a client-first approach to help people make confident decisions every step of the way.

When I'm not working, I'm spending time with my two children. Whether cheering at hockey and cheer competitions, exploring Calgary, or simply enjoying time together, family is at the heart of everything I do. That perspective carries into my business because I know a home is so much more than just a property. It's where life happens.

Thank you for taking the time to get to know me. I look forward to helping you make your next move with confidence.

MORTGAGE *Pre-Approval*

Getting pre-approved is one of the most important first steps in your home-buying journey. It helps you understand your budget, strengthens your position as a buyer, and allows us to focus on homes that fit your financial goals.

WHY GET PRE-APPROVED?

Know Your Budget

Understand how much you can comfortably afford before you start shopping.

Shop With Confidence

Focus on homes within your price range and avoid falling in love with a home that's outside your budget.

Make a Stronger Offer

A pre-approved buyer gives sellers greater confidence that financing is already underway.

Save Time

With your financing in place, you'll be ready to act quickly when the right home comes along.

WHAT YOU'LL NEED

Your mortgage professional may ask for:

Proof of income

Employment information

Bank statements

Information about your down payment

Identification

A MORTGAGE PRE-APPROVAL IS
THE FIRST STEP TOWARD A
CONFIDENT AND SUCCESSFUL
HOME PURCHASE.

Home Ownership

COSTS OF *Buying a Home*

Buying a home involves more than just the purchase price. It's important to budget for a few additional costs so there are no surprises along the way.

DOWN PAYMENT

Typically 5% or more of the purchase price. The more you put down, the less you need to borrow.

CLOSING COSTS

Usually 1.5% – 4% of the purchase price. Covers legal fees, title insurance, land transfer fees, and lender fees.

HOME INSPECTION

Typically \$400 – \$700. An inspection gives you peace of mind and helps identify any potential issues.

APPRAISAL FEE

Usually \$300 – \$500. Required by your lender to confirm the home's value.

HOME INSURANCE

Protects your home and belongings. Costs vary based on the home and coverage you choose.

PROPERTY TAXES

Based on the home's assessed value and paid annually (may be included in your mortgage payments).

MOVING & UTILITY SETUP

Moving expenses and setting up utilities are often overlooked but important to budget for.

FURNITURE & MAINTENANCE

New home, new space! Budget for any furniture, essentials, and future maintenance.

I'm Here to Help

BEFORE YOU MAKE AN OFFER, I'LL WALK YOU THROUGH THE EXPECTED COSTS SO YOU KNOW EXACTLY WHAT TO EXPECT AND CAN MOVE FORWARD WITH CONFIDENCE.

ME

HOUSE HUNTING *Tips*

Searching for a home is exciting! Keeping these tips in mind will help you stay focused and find a home that's the right fit for you and your lifestyle.

Make a list of must-haves and nice-to-haves. This helps us stay focused and makes decision making easier.

Consider the location carefully. Think about your lifestyle, commute, amenities, schools, and future plans.

Be open minded. The right home might have features you didn't expect, or need a few updates to shine.

Take your time, but be ready to act. Great homes can move quickly in today's market.

Take photos and notes at each showing so you can compare homes later and remember the details.

Ask questions about the home, neighbourhood, utilities, HOA fees, and anything that impacts your decision.

Keep your budget in mind and avoid stretching too thin. There are more costs to consider beyond the purchase price.

Trust your instincts. If a home feels right, imagine your life there. You'll know.

Remember:

THE PERFECT HOME DOESN'T ALWAYS EXIST, BUT THE RIGHT HOME DOES. MY JOB IS TO HELP YOU FIND IT WITH CONFIDENCE AND PEACE OF MIND.

MAKING AN *Offer*

You've found the right home. Now it's time to make an offer!

An offer is a legal contract that outlines the price, terms, and conditions of your purchase. I'll walk you through every detail, explain your options, and ensure you feel confident before anything is signed.

YOUR OFFER INCLUDES:

PURCHASE PRICE:

The amount you're offering to purchase the home.

DEPOSIT:

A deposit is typically due shortly after your offer is accepted and forms part of your down payment.

POSSESSION DATE:

The date you'll receive the keys and officially take ownership of your new home.

UNDERSTANDING *Conditions*

Conditions help protect you by giving you time to complete important steps before the purchase becomes final.

SOME OF THE MOST COMMON CONDITIONS INCLUDE:

FINANCING:

Allows your lender time to provide final mortgage approval.

HOME INSPECTION:

Gives you the opportunity to have the home professionally inspected and identify any concerns before moving forward.

CONDOMINIUM DOCUMENT REVIEW (IF APPLICABLE):

For condominiums, this allows time for a professional review of the condo documents, financials, and bylaws.

ONCE ALL CONDITIONS
HAVE BEEN SATISFIED,
THEY ARE REMOVED AND
THE SALE BECOMES FIRM.

NEGOTIATION

The seller may accept your offer, reject it, or submit a counteroffer. I'll negotiate on your behalf and work to secure the best possible terms while keeping your goals and budget in mind.

You're Never on Your Own

MAKING AN OFFER CAN FEEL
OVERWHELMING, BUT YOU WON'T
HAVE TO NAVIGATE IT ALONE. I'LL
EXPLAIN EVERY STEP, ANSWER YOUR
QUESTIONS, AND GUIDE YOU
THROUGH THE PROCESS SO YOU CAN
MAKE INFORMED DECISIONS WITH
CONFIDENCE.

CLOSING & Possession Day

The finish line is in sight! Once your conditions have been removed and your financing is finalized, there are just a few final steps before you receive the keys to your new home.

BEFORE POSSESSION

In the days leading up to possession, you'll:

Meet with your lawyer to sign the final documents.

Transfer utilities and arrange home insurance.

Prepare for moving day.

I'll stay in touch throughout this process to ensure everything is on track and answer any last-minute questions you may have.

AFTER YOU MOVE IN

My commitment doesn't end when you get the keys. Whether you need recommendations for local trades, have questions about your home, or simply want real estate advice in the future, I'm always here to help.

POSSESSION DAY

It's Time to Celebrate!

Once the legal transfer is complete and the funds have been received, you'll receive the keys to your new home.

Before settling in, take a walk through your new home to ensure everything is as expected, locate important shut-off valves and utility panels, and enjoy the excitement of making it your own.

Congratulations!

THANK YOU FOR TRUSTING ME TO BE PART OF SUCH AN IMPORTANT MILESTONE. IT HAS BEEN MY PRIVILEGE TO HELP YOU FIND A PLACE TO CALL HOME, AND I LOOK FORWARD TO BEING YOUR REALTOR® FOR YEARS TO COME.

HOW MUCH DO I NEED FOR A DOWN PAYMENT?

The minimum down payment depends on the purchase price of the home and your mortgage. Your mortgage broker can help determine what works best for your situation.

WHAT ARE CLOSING COSTS?

Closing costs are expenses in addition to your down payment and may include legal fees, adjustments, inspections, and other related costs. It's a good idea to set aside additional funds for closing costs. Your lender and lawyer can help you estimate the amount based on your specific purchase.

DO I NEED TO BE PRE-APPROVED BEFORE LOOKING AT HOMES?

While it's not required, being pre-approved is highly recommended. It helps you understand your budget and makes your offer stronger when you find the right home.

HOW MUCH DOES IT COST TO HIRE A REALTOR®?

In many transactions, the seller offers compensation toward the buyer's real estate professional. However, compensation can vary by property and agreement. I'll explain any potential costs clearly before we begin.

FAQ

SHOULD I GET A HOME INSPECTION?

Yes! While not always required, a professional home inspection is highly recommended to help identify potential issues before your purchase becomes final.

WHAT IF I HAVE QUESTIONS AFTER I MOVE IN?

I'm always here to help! Whether you need recommendations for trusted professionals, have questions about your home, or are thinking about your next move, you can count on me long after possession day.

WHAT HAPPENS IF MY OFFER ISN'T ACCEPTED?

Don't worry! We'll review the seller's response together and decide whether to negotiate, submit another offer, or continue searching for the right home.

HOW LONG DOES IT TAKE TO BUY A HOME?

Every purchase is different, but from accepted offer to possession is typically 30–90 days, depending on what is negotiated.

TRUSTED *Partners*

Buying a home is a team effort, and having the right professionals by your side can make the entire process smoother and less stressful.

Over the years, I've built relationships with trusted local experts who are committed to providing exceptional service. While you're always welcome to work with anyone you choose, I'm happy to connect you with professionals I know and trust.
