ABOUT MINDY

Hi, I'm Mindy Chattha.

I've been helping clients buy and sell real estate in Calgary and the surrounding area since 2019, and I truly believe this is one of the most rewarding careers I could have chosen.

Born into a real estate family, I developed a passion for the industry early on. Today, I combine that lifelong interest with local market knowledge and a client first approach to help people make confident decisions every step of the way.

When I'm not working, I'm spending time with my two children. Whether cheering at hockey and cheer competitions, exploring Calgary, or simply enjoying time together, family is at the heart of everything I do. That perspective carries into my business because I know a home is so much more than just a property. It's where life happens.

Thank you for taking the time to get to know me. I look forward to helping you make your next move with confidence.

and regular updates

PERSONALIZED GUIDANCE

My commitment is simple
TO HELP YOU SELL WITH
CONFIDENCE, MAXIMIZE
YOUR HOME'S VALUE, AND
MAKE YOUR MOVE AS
SEAMLESS AS POSSIBLE.

UNDERSTANDING YOUR *Home's Value*

One of the most important steps in selling your home is pricing it correctly. While every homeowner has a personal connection to their home, buyers determine its market value based on current market conditions.

Several factors influence what your home is worth, including:

LOCATION

Proximity to schools, parks, amenities and transportation greatly impacts value.

PROPERTY CONDITION

The overall condition, upgrades and maintenance of your home matter.

MARKET TRENDS

Current market conditions, buyer demand and inventory levels affect pricing.

HOME FEATURES & SIZE

Square footage, layout, lot size, number of bedrooms and bathrooms all play a role in value.

RECENT SALES COMPARABLES

Recent sales of similar homes in your area help determine a competitive and realistic price.

UNIQUE QUALITIES

Special features like a finished basement, custom upgrades or a stunning yard can set your home apart.

REMEMBER:

Your home's value isn't determined by what you paid for it, how much you've invested, or your municipal assessment. It's determined by what today's buyers are willing to pay in the current market.

My Role:

TO PROVIDE HONEST ADVICE,
ACCURATE MARKET DATA, AND
A PRICING STRATEGY THAT
POSITIONS YOUR HOME FOR
SUCCESS.

PREPARING YOUR HOME *for Sale*

First impressions matter. A clean, well-presented home helps buyers picture themselves living there and can lead to more interest and stronger offers.

Before your home goes on the market, here are a few simple ways to prepare:

01

Declutter and organize each room.

02

Deep clean your home from top to bottom.

03

Complete small repairs and touch-ups.

04

Depersonalize by removing excess family photos and personal items.

05

Freshen up your curb appeal by tidying the yard and entryway.

06

Open blinds and curtains to let in natural light.

I'm Here to Help

I'LL PROVIDE RECOMMENDATIONS ON STAGING, DECLUTTERING, AND ANY SIMPLE IMPROVEMENTS THAT CAN HELP YOUR HOME MAKE A GREAT FIRST IMPRESSION, ATTRACT BUYERS AND POSITION IT FOR THE STRONGEST POSSIBLE RESULT.

Remember, you don't need to renovate your entire home to make a great impression. Small improvements can make a big difference.

STAGING YOUR *Home*

Staging helps your home make a great first impression and allows buyers to picture themselves living in the space.

SIMPLE CHANGES MAKE A *Big Impact*

Keep your home clean and clutter-free.

Remove personal photos and excess décor.

Arrange furniture to make rooms feel open and inviting.

Let in as much natural light as possible.

Add fresh towels, bedding, or a few simple decorative touches.

Keep countertops and surfaces clear.

Before your home goes on the market

I'LL WALK THROUGH IT WITH YOU AND PROVIDE PERSONALIZED STAGING RECOMMENDATIONS TO HELP IT LOOK ITS BEST AND APPEAL TO THE WIDEST RANGE OF BUYERS.

You don't need to completely redesign your home. Often, a few small adjustments are all it takes to showcase your home's best features.

PROFESSIONAL *Marketing*

Getting your home sold takes more than simply putting it on the market. A strong marketing strategy helps your home reach the right buyers and stand out from the competition.

SHOWINGS MADE *Easy*

Once your home is on the market, making it easy for buyers to view can help generate more interest and lead to stronger offers.

TIPS FOR A *Successful Showing*

Keep your home clean and tidy.

Open blinds and turn on lights before each showing.

Secure valuables and personal items.

If possible, leave the home during showings so buyers can explore comfortably.

Be flexible with showing times whenever you can.

THE MORE ACCESSIBLE YOUR HOME IS, THE MORE OPPORTUNITIES THERE ARE FOR THE RIGHT BUYER TO FALL IN LOVE WITH IT.

UNDERSTANDING *Offers*

Receiving an offer is exciting, but there's more to consider than just the purchase price. Together, we'll review every detail to ensure you make the best decision for your goals.

We'll look at:

	Purchase price		Possession date
	Deposit amount		Included and excluded items
	Conditions		Closing timeline

The best offer isn't always the highest offer

MY JOB IS TO HELP YOU UNDERSTAND
YOUR OPTIONS AND NEGOTIATE THE
STRONGEST OVERALL OUTCOME FOR
YOUR SALE.

*If needed, we'll negotiate to
improve the terms and work
toward an agreement that
benefits you.*

CONDITIONS *Explained*

After an offer is accepted, there may be conditions that must be met before the sale becomes firm.

COMMON CONDITIONS *Include*

FINANCING

The buyer confirms they have final approval from their lender.

HOME INSPECTION

The buyer has the opportunity to inspect the home and ensure everything is in satisfactory condition.

CONDO DOCUMENT REVIEW (IF APPLICABLE)

For condominiums, the buyer reviews the condo documents and financial information.

Once Conditions are Satisfied

THE SALE BECOMES FIRM, AND
YOU CAN CONFIDENTLY
PREPARE FOR POSSESSION.

WHAT HAPPENS *Once You're Sold?*

Here's what to expect after your offer is accepted.

01 ACCEPTED OFFER

Both parties have agreed to the terms of the sale.

02 CONDITIONS REMOVED

Once all conditions are met or waived, the sale becomes firm and unconditional.

03 PREPARE FOR YOUR MOVE

Start packing, arrange movers, update your address and notify utility providers.

04 MEET WITH YOUR LAWYER

Your lawyer will prepare the necessary documents and finalize the legal transfer.

05 POSSESSION DAY

The buyer takes possession of the home and you begin your next chapter!

I'm with you Every Step of the Way
I'LL STAY IN TOUCH THROUGHOUT THE
ENTIRE PROCESS TO ENSURE
EVERYTHING GOES AS SMOOTHLY AS
POSSIBLE.

Congratulations!

You've taken a big step! Let's make the rest a smooth one.

CLOSING COSTS

For Sellers

As you prepare to move, it's important to plan for a few common expenses when selling your home.

REAL ESTATE COMMISSION

The fee paid to your REALTOR® for their services in marketing and selling your home.

LEGAL FEES

Fees for your real estate lawyer to handle the legal documents and transfer of ownership.

MORTGAGE DISCHARGE FEES

Fee from your lender to discharge your existing mortgage (if applicable).

UTILITY & PROPERTY TAX ADJUSTMENTS

Adjustments for property taxes, utilities and other services up to the day of possession.

MOVING EXPENSES

Costs to pack, move and settle into your next home.

CONDO FEE ADJUSTMENTS

Adjustments for condo fees up to the day of possession (if applicable).

What to Expect

EVERY SALE IS UNIQUE, AND YOUR FINAL COSTS WILL DEPEND ON YOUR SPECIFIC SITUATION.

I'M HAPPY TO WALK YOU THROUGH ALL THE DETAILS SO THERE ARE NO SURPRISES AND YOU CAN PLAN YOUR NEXT CHAPTER WITH CONFIDENCE.

HOW LONG WILL IT TAKE TO SELL MY HOME?

Every home and market is different. Price, location, condition, competition, and current buyer demand all influence how quickly a home sells.

DO I HAVE TO ACCEPT AN OFFER?

No. You are always in control of whether you accept, reject, or counter an offer. I'll explain your options and help you determine the best approach.

SHOULD I BUY MY NEXT HOME BEFORE SELLING THIS ONE?

It depends on your financial situation and the current market. We'll discuss the options and create a strategy that works best for your circumstances.

DO I NEED TO LEAVE DURING SHOWINGS?

Whenever possible, yes. Buyers are generally more comfortable taking their time and discussing the home openly when the seller isn't present.

FAQ

WHEN DO I RECEIVE THE MONEY FROM THE SALE?

Your lawyer handles the funds from the transaction. After the mortgage, legal fees, adjustments, and other applicable costs are paid, the remaining proceeds are provided to you.

WHAT HAPPENS IF THE BUYER'S CONDITIONS AREN'T REMOVED?

If the buyer does not waive or satisfy their conditions by the deadline, the transaction may not proceed. If that happens, we'll discuss the next steps and getting your home back on the market.

WHAT STAYS WITH THE HOUSE WHEN I SELL?

Generally, attached fixtures remain with the property unless otherwise specified in the purchase contract. We'll clearly identify anything you plan to take with you before listing.

WHAT HAPPENS TO MY MORTGAGE WHEN I SELL?

Your lawyer will typically arrange for your existing mortgage to be paid out from the sale proceeds. Depending on your mortgage, there may also be discharge fees or penalties.

TRUSTED *Partners*

Buying or selling a home often involves a team of trusted professionals. Over the years, I've built strong relationships with local experts who share my commitment to exceptional service. While you're always welcome to work with anyone you choose, I'm happy to connect you with professionals I know and trust.
